

UNIT OPENER – VIDEO SCRIPT

Unit 1 Me

- Ann:** Numbers are everywhere! They tell the time, the day, the year, and our age! They're in science and on our money, in nature, at work, and at play.
- John:** Words are important! They're part of every language in the world. They're in our books, our songs, and on our phones.
- Ann:** There are words AND numbers on computers. Numbers or words?

Unit 2 My Place

Some people prefer the country. They like animals and open spaces. There's no traffic and they can go for long walks. Other people prefer the city because there are so many things to do, all day and night. Some people don't like the city. It's noisy. The country is quiet and peaceful. City or country?

Unit 3 Life and Work

- Donna:** For your birthday, who prefers a big party? I do. I love to have a big party with my friends and family. Big parties are fun. There are presents, balloons and singing.
- John:** But some people don't like big parties, like me. I prefer a small dinner with a few friends. Big parties are sometimes very noisy.
- Donna:** True ... but at parties there's usually a cake.
- John:** Right! Mmmm. Cake!
- Donna:** Birthday parties ...
- John:** ... or no?

Unit 4 My City

- Alex:** Hi! This is Alex. Millions of people shop online every day. It's easy. When you see something you like, you can just click. Delivery's in two days.
- Pam:** Hey Alex? Many other people go shopping at stores, like me. I prefer to see and touch the clothes before I buy something.
- Alex:** These boots don't fit, but returns are easy.
- Pam:** At stores, people can talk to the sales assistant, ask questions, and find the right size.
- Alex:** Do you shop online ...
- Pam:** ... or at the store?

Unit 5 Free Time

- Jason:** When the weather is hot, many people love to be outside. Today's it's sunny. People can go swimming or surfing. Then, they sit on the beach or by the pool and drink something cold.
- Ann:** Other people prefer cool or cold weather. Today it's snowing. They can go skating or skiing. Later, they can sit and drink something hot.
- Jason:** Do you like hot weather ...
- Ann:** ... or cool weather?

Unit 6 Health

- Pam:** Cooking at home and eating in is great. You can shop at the store, buy the ingredients, and cook healthy food, or make a sandwich at home and save money. But, there are usually dishes to wash.
- Martin:** Other people prefer to eat out at a restaurant, like me. It's fun to try different kinds of food.
- Pam:** But, eating out is sometimes expensive.
- Martin:** But there aren't any dishes to wash.
- Pam:** Do you eat in ...
- Martin:** ... or eat out?
